

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Azurity Pharmaceuticals, Inc., is initiating a drug recall of one lot of Zenzedi® (Dextroamphetamine Sulfate Tablets, USP) 30 mg to the retail pharmacy level. Zenzedi® is marketed under Arbor Pharmaceuticals, LLC brand. Arbor Pharmaceuticals, LLC is a subsidiary of Azurity Pharmaceuticals, Inc. This recall is being conducted with the knowledge of the United States Food and Drug Administration. A bottle containing Carbinoxamine Maleate tablets, an antihistamine drug, was labeled as Zenzedi® (Dextroamphetamine Sulfate Tablets, USP) in one lot of Zenzedi®. We believe there is only one bottle mislabeled and the incident was unique and isolated. In an abundance of caution, we are conducting this recall for the subject lot only.
