

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

AvKARE is initiating a recall of **Atovaquone Oral Suspension 750 mg/5mL** to the CONSUMER LEVEL. This recall has been initiated due to a stability Out of Spec for Microbial Enumeration. To this point in the investigation there has been no report of adverse event. However, this lot did test positive for the presence of bacteria and needs to be returned.
