

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

<b>NDC #</b>	<b>Material Description/ Strength</b>	<b>Size</b>	<b>Lot No</b>	<b>Expiry</b>
0378-9651-32	Travoprost Ophthalmic Solution, USP 0.004%	2.5mL fill in 5mL Bottle	TV11W101	Mar-2023

Mylan Pharmaceuticals Inc. (a Viatris company) is conducting a recall at the retail level of one batch of Travoprost Ophthalmic Solution, USP 0.004%, 2.5mL packaged in a 5mL LDPE container. This batch is being recalled due to assay and related substance results obtained during routine stability testing that are out of specification. This batch was distributed in the US between June 10, 2021, and August 26, 2021.
