

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Akorn Operating Company LLC has filed Chapter 7 bankruptcy on February 23, 2023. In connection with that filing, the company has ceased and shutdown all operations and terminated all its employees of all domestic US Sites. The Akorn Trustee is initiating a recall of various within-expiry human and animal products as a result of the closures and discontinuation of the Quality activities of these marketed products. The discontinuation of the Quality program means the company will not be able to support or guarantee that the products will meet all intended specifications through the labeled shelf life of the product. Further distribution or use of any remaining product on the market should cease immediately.
