

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

ViiV Healthcare is recalling one lot of Tivicay Tablets listed below from the Wholesaler/Distributor and Retail levels. This action is being taken due to an incorrect expiration date printed on the product labeling. This lot was packaged with an expiration date of January 2027*, whereas the correct expiration date is September 2026. Recalled product was distributed between April 6, 2022 and April 29, 2022.
