

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Major Pharmaceuticals is recalling Acetaminophen Oral Solution to the RETAIL level. This recall was initiated due to potential microbial contamination. (Please see attached manufacturer's drug recall notice.) Since Cardinal Health Private Label purchased the Acetaminophen Oral Solution lots to repackage, it is necessary for us to recall the repackaged Assist bags of 5s repackaged from the affected lots. This item was first shipped 11/04/2020.
