

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

<b>Product Name</b>	<b>Package Description</b>	<b>Lot Number</b>	<b>NDC Number</b>	<b>Expiration Date</b>
Clonazepam Orally Disintegrating Tablets, USP 0.125 mg	60 Count	AA84106	57664-783-86	09/2021

Sun Pharmaceutical Industries Inc. has initiated this recall in response to an out of specification result observed during routine stability testing of Related Compounds for the Highest Unknown Impurity. The impurity has been identified as another drug substance (Clozapine) used to manufacture another product at the same facility. Use of this product is unlikely to pose any risk to patient safety. This recall is to the retail level. Shipment of this product was initiated on January 20, 2020.
