

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Product: Stimite® Nasal Spray (Desmopressin Acetate) 1.5 mg/mL

Batch Numbers: See chart below.

NDC Number: 0053-6871-00

Stimate® is owned and manufactured by Ferring Pharmaceuticals Inc. and distributed and sold by CSL Behring LLC. Ferring Pharmaceuticals Inc. is initiating a recall of all batches of Stimite® Nasal Spray (desmopressin acetate) 1.5 mg/mL. During testing of a sample of desmopressin acetate nasal spray solution product marketed outside the US, a low volume was observed and the analysis of the solution from this sample generated an out-of-specification result concerning the desmopressin content (155% of the targeted amount). In addition, an elevated amount of benzalkonium chloride was determined (120% of the targeted amount).

The table below provides detail for all impacted batches of Stimite® that were shipped to CSL Behring beginning December 15, 2017:
