

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

| Carton NDC (30 packets in 1 carton) | Packet NDC | Lot Number | Expiration Date |
|--|-------------------|-------------------|------------------------|
| 0591-3216-30 | 0591-3216-17 | 1351104 | 08/2021 |

Teva Pharmaceuticals USA Inc. is recalling the above lot of Testosterone Gel 1% CIII, which was distributed under the Actavis Pharma Inc. label, to the RETAIL level. This recall is being initiated because of out-of-specification assay result obtained during stability testing. This product was shipped from December 20, 2019, through February 4, 2020.
