

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Rubicon Research Pvt. Ltd. is issuing a recall notice for Tramadol Hydrochloride Tablets, USP 50 mg. Shipping of this product began on August 3, 2023. This recall has been initiated due to a potential mix-up of the lot. A pharmacist reported that they observed a round tablet of Baclofen Tablets USP, 10 mg in a bottle of 1000's count of Tramadol Hydrochloride Tablets USP 50 mg which happens to be oval shaped. The description of this product is white to off-white, capsule shaped film coated tablet debossed with "018" on one side and scored on the other side.
